

BOOK IN BRIEF

***CHE**
LA

For, me it has always been hard to accept the idea that Che is dead. I dream of him often, that I have spoken to him, that he is alive”, said Fidel Castro.

The classic biography of one revolutionary by another.

Fidel Castro writes with great candour and emotion about a historic revolutionary partnership that changed the face of Cuba and Latin America. Fidel creates a vivid portrait of Che Guevara—the man, the revolutionary, and the intellectual—revealing much about his own inimitable determination and character.

This new edition of a unique political memoir includes Fidel’s speech on the return of Che’s remains to Cuba 30 years after his assassination in Bolivia in 1967, and provides a frank assessment of the Bolivian Mission. □□□
